Venue: Cupcake Heaven

At first sight Cupcake Heaven fills you with excitement, not to mention when you get inside! Situated in The Maltings, Cupcake Heaven is the perfect place for relaxing and enjoying the tranquillity of the atmosphere around you. Looking out over the river, you can sit for hours, eating cupcakes, sipping a cup of coffee, and generally not wanting anything more.

When we arrived at the cafe, the staff were all very friendly and welcoming towards us. Our questions were answered with accurate and helpful responses. The waitresses helped us make our selection from all the cupcakes on offer, giving us their personal opinions on each one. The service provided was excellent, our food coming after around five minutes of us walking into the shop! We couldn't have asked for anything better!

The cupcakes were absolutely wonderful, each delicately iced with tasty toppings added to make them even more delicious! The cafe takes pride in its many varieties of freshly baked cupcakes. What more can you wish for?

The decoration inside the cafe was beautiful, making you feel at peace while looking out over the river. The walls were painted a pale pink with a border of little flags around the top of one of the walls, while the tables were arranged very nicely around the room, each with a little vase of flowers placed on it, making you feel very at home while eating your cupcake!

The cafe caters for special dietary needs, providing gluten free recipes on a daily basis so that no-one will miss out on the gorgeous cupcake dream!

Overall Cupcake Heaven is the perfect afternoon treat after a long day of shopping in the lovely city of Salisbury! I would definitely recommend it to all cupcake lovers!
